GENERAL RACE BOOK RULES

1. The SuperBook reserves the right to refuse any wager, prior to its acceptance.
2. The SuperBook is not responsible for lost, stolen or unreadable tickets.
3. The SuperBook will determine minimum and maximum wagers on all racing and sporting events.
4. Non Pari-Mutuel wagering tickets will be honored for 120 days after the date of the event or race.
5. Winning tickets may be mailed in for redemption. See the reverse side of the wagering ticket for mail-in collection instructions. The SuperBook is not responsible for tickets that are not mailed-in in compliance with the printed instructions on the reverse side of the wagering ticket.
6. Patrons should verify that all information on wagering tickets is accurate before leaving the betting window.
   • Tickets go as written and cannot be altered after the fact.
   • Tickets may not be altered or voided prior to the start of an event or race, except at the discretion of management and with the approval of both parties.
   • Management is not responsible for errors or omissions made on a ticket, once the customer has left the betting window.
   • Management will maintain a record of all point spreads, odds, race results, final scores and related betting proposition statistics to protect both the patron and the SuperBook, in case of obvious mechanical or human error. Records are retained for 120 days on non Pari-Mutuel and Pari-Mutuel wagers.
7. The Nevada Gaming Control Board has sole jurisdiction over disputes arising as a result of wagers accepted by the SuperBook.
8. The SuperBook assumes responsibility for paying the 0.25% federal excise tax on all lawful wagers.

RACE BOOK RULES

1. Minimum wager is $2, $1 on Trifectas and Pick 3's. Minimum ticket price is $2.
2. All races must be run on date, time and track scheduled to have action.
3. A wager accepted after the official ‘Off-Time’ of a simulcast race, or within 2 minutes of the announced post time in a non-simulcast race is void, and money will be refunded.
4. In the event of a scratch (horse is officially withdrawn from a race, or is officially declared a non-starter):
   • Straight wagers are refunded.
   • In a parlay, a scratch reduces the parlay to the next lowest number of horses, including to a straight bet.
   • A scratch from a daily double, pick 3, quinella, exacta or trifecta constitutes ‘No Action’ and money is refunded.
   • When a scratch involves part of an entry or field, action goes on the remaining portion of the entry or field.
   • The Race Book does not recognize consolation payoffs.
5. Track entries and field horses are classified as one betting interest, unless otherwise specified on any printed media or the live broadcast.
   • If the same entry or field horses finish 1st and 2nd, then the quinella is figured with the win price times one-half of the show price of the horse that finishes 3rd.
   • When entries finish 1st and 2nd, with no show price, all quinella wagers are refunded.
   • If a 3-horse entry or field finishes 1st, 2nd and 3rd, quinellas including the 4th horse are paid on the win price.
   • If an entry wins, and the other entry finishes in a dead heat for place then the non-entry is used for the price of the quinella.
   • In all bets where there is a field or entry, patron may specify ‘Must Go’ on a specific horse. If that horse does not go, the bet has ‘No Action’, regardless of the performance of remainder of the entry.
6. If there are no winning tickets at the track, the SuperBook pays off on the House limit for the respective wager.
7. All quinellas will be pari-mutuel when offered at any given track. House quinellas are offered on designated tracks, as indicated on printed media. There must be a minimum of six (6) separate betting interests in a House Quinella race. In the event that there is a scratch reducing the race to less than six (6) separate betting interests, the House Quinella is scratched and all House Quinella wagers are refunded.
8. The SuperBook computes House Quinellas as the Win price of the winning horse times one-half of the Place price of the 2nd place horse.

9. If two (2) separate betting interests finish in a dead heat for the Win position, then the highest quinella price is paid.

10. If an exacta, daily double, pick 3, quinella or trifecta wager is accepted on a non-exacta, daily double, pick 3, quinella or trifecta race respectively, it constitutes ‘No Action’, and the money is refunded.

11. The Race Book track mutuel limits are:
   - On Win, Place and Show wagering, the SuperBook will pay full track odds on the first $50. Payoff limits on the remaining wager balance are:
     - Win: 20/1
     - Place: 8/1
     - Show: 4/1
   - Total parlay payoff limits are:
     - Win: 100/1
     - Place: 50/1
     - Show: 25/1
   - Each horse in a parlay is computed at track mutuels not to exceed a limit of 20/1 for win, 8/1 for place and 4/1 for show. There is a four horse maximum on parleys.
     - Quinella: 150/1
     - Exacta: 150/1
     - Daily Double: 150/1
     - Trifecta: 300/1
     - Pick 3: 300/1

12. $25,000 aggregate payoff per race is paid in proportion to amount wagered.

13. Official results and mutuels as determined at the track on the day of the race are official for wagering purposes. Any subsequently overturned decisions are disregarded.

14. The Race and Sports computerized video boards are the official source for all odds and betting line information. In the event that any odds or betting line information is changed by SuperBook management, the change will be reflected on the boards within 15 minutes. For wagering propositions that are only available on hand out sheets, an audible announcement will be made notifying the public of the change in odds or betting lines. The official odds or betting lines may be obtained from SuperBook personnel at any time during normal race and sports book hours of operation.

15. Wagers may be accepted at other than the currently posted terms.

GREYHOUND RULES

1. All Greyhound Quinellas are taken from track mutuels. No house quinellas will be accepted.

2. Odds and Limits (from 1st $10):
   - Win: 16/1
   - Place: 7/1
   - Show: 4/1
   - Quinella: 100/1
   - Exacta: 150/1
   - Trifecta: 300/1

3. In the event it is determined by the Nevada Gaming Control Board, the management of the SuperBook, or the Track in which the wagers were taken, that the Track Mutuel Payoffs were influenced by manipulation of wagering at the Track, the wager(s) may be voided and refunded.

4. Payoff limit on any single wager, including quinellas, is $2,000.

5. Aggregate Payoff limit on Trifectas not to exceed $3,000.

6. Aggregate Payoff per Greyhound Race is $4,000.

7. There is no daily double wagering.

8. All SuperBook house wagering rules and regulations apply to greyhound wagers when not in conflict with these rules.
PARI-MUTUEL RULES

1. Payoffs over $50,000 may be delayed for 24 hours after the next banking day.
2. All pari-mutuel tickets are valid for 120 days from event date.
3. If a scratch occurs in a Pick-3, Pick-6 or Pick-9, the off-time favorite is the default entrant in most cases; however, some tracks recognize a consolation pool.
4. All other house rules apply, when not in conflict with these or track rules.
5. No lost or stolen ticket claims will be accepted.
6. Pari-mutuel consolation payoffs are recognized by the SuperBook.

7. The Nevada Gaming Control Board has sole jurisdiction over disputes arising as a result of wagers accepted by the SuperBook.
8. The SuperBook assumes responsibility for paying the 0.25% federal excise tax on all lawful wagers.

SPORTS BOOK RULES

1. All Basketball, Hockey, and Baseball games must be played on the scheduled date and/or location (city or geographic area, but not restricted to a specific arena or stadium) to be considered action, unless otherwise noted on any printed media or the electronic boards. Football and all other events must be held within eight (8) days of scheduled date and/or location (city or geographic area, but not restricted to a specific arena or stadium) to be considered action, unless otherwise noted on any printed media or the electronic boards.
2. For betting purposes, the winner of an event or game is determined on the date of event’s conclusion according to house wagering rules and regulations. The SuperBook does not recognize suspended games, protests, overturned decisions, etc. for wagering purposes.
3. For betting purposes, unless otherwise stipulated on any printed media or the electronic boards, games are official after:
   • FOOTBALL (Pro and College) – 55 minutes of play.
   • BASKETBALL (Pro) – 43 minutes of play; (College) – 35 minutes of play.
   • HOCKEY (all) – 55 minutes of play.
   • BOXING (all) – When bell (buzzer, etc.) is sounded signifying the start of the opening round, the bout is considered official for betting purposes, regardless of the scheduled length. For a round to be considered complete, the fighters must answer the bell beginning the next round, except for the final scheduled round in which case the final bell signifies the completion of the round and fight.
For example, on a four-team parlay with Team A -4 -110, Team B +7 -110, Team C -5 -110, and Team D -3 -120 the parlay calculates as follows:

\[
1.8612 \times 1.8612 \times 1.8612 \times 1.7854 = 11.50 \text{ for } 1.10.50 \text{ to } 1
\]
In case of a Tie or ‘No Action’ on a two-team teaser, the wager is refunded. Otherwise, Tie or ‘No Action’ reduces teaser to next lowest number of plays.

14. All cross category teasers are paid using the pro football teaser payoffs.

15. Football/Basketball straight bets pay 10/11 (bet $11 to win $10, collecting a total of $21), unless otherwise specified in any printed media or the electronic boards.

16. In case of a Tie or ‘No Action’, Parlay is reduced to next lowest number of teams, including to a straight bet.

17. Money line parlay payoffs, like those in baseball, are calculated by multiplying the decimal equivalent for each team money line in the parlay by the amount wagered. Maximum payoff on any single money line parlay is 200/1.

18. In Motor Racing the driver must start race for action. Wager is on driver only, not team or car. The winner at the conclusion of the race will be the winner for betting purposes. Race must be concluded within eight (8) days of scheduled date for action.

19. In Golf the golfer must tee off to start the tournament for action. The golfer with the lower score wins the match-up (with equal rounds played). If one golfer continues play after his opponent has missed the cut (MC), withdrawn (WD), or been disqualified (DQ), the golfer who continues play wins the match-up. If both golfers in a match-up are in a playoff the winner of the playoff (and tournament) wins match-up. All other playoff participants tie each other. Tournament must be concluded within eight (8) days of scheduled date for action.

20. The Race and Sports computerized video boards are the official source for all odds and betting line information. In the event that odds or betting line information is changed by SuperBook management, the change is reflected on the boards within 15 minutes. For wagering propositions that are only available on hand out sheets, an audible announcement is made notifying the public of the change in odds or betting lines. The official odds or betting lines may be obtained from SuperBook personnel at any time during normal race and sports book hours of operation.

21. Wagers may be accepted at other than the currently posted terms.

22. Sports book tickets are honored for 120 days after the date of the event.

“Any dispute or situation not covered by these rules shall be resolved by the property’s management in a manner that is deemed fair to all parties.
